Hello to the Planning and Zoning, City Council, Mayor,

I am Forwarding an article relaying information about our lodging and hospitality businesses. In regards to the building of new hotels in our area and what is "given" to them in negotiations in waivers or perks, only confirming what your local businesses are concerned and have spoken out about and how there is no rush to make something happen. Thank you for your consideration in regards to the new Marriott project before you. Thank you,
Cindy Forgeon

The American Hotel Lodging Association estimates it will take years before it fully recovers due to continued restrictions and consumer unease.
