Mayor and City Council; I want to express my strong support and thanks for your beautiful and progressive 4<sup>th</sup> Street closure. It truly transforms down town Ketchum from a hectic parade of cars to a serene place where you can take time to linger and talk with old friends. The purely anecdotal complaints of nearby businesses fail to account for the effects that Covid 19 may have on traffic to their stores. These are troubled and uncertain times. Let us continue to have this small oasis downtown for everyone's peace of mind.

Thank you.
